

AMERICA'S LARGEST MANUFACTURER OF ATTENUATOR TRUCKS

Royal
TRUCK & EQUIPMENT INC.

ERTMA

EMERGENCY RESPONSE TMA TRUCK

PROTECT YOURSELF WHILE YOU ARE RESCUING OTHERS

EVERY FIRE COMPANY DESERVES TO HAVE THEIR VOLUNTEERS FEEL AS SAFE AS POSSIBLE WHILE ON THE JOB. The Emergency Response TMA Truck is built to assist your team during a call out. Highways are becoming increasingly dangerous, and an attenuator truck has become a necessity. Utilize the truck body to store all needed supplies, and protect every firefighter that steps foot on the highway.

The industry's safest and most innovative truck design, the ERTMA offers your fire company great maneuverability, and over 1000 cubic feet storage capacity, allowing for the ability to carry equipment necessary for fire, rescue, and EMA response in one organized area.

✓ 5 CAMERA TRUCK MOUNTED SYSTEM

✓ LED TAILLIGHT STROBE PACKAGE

✓ 36" ROOF-MOUNTED STROBE BAR

✓ PADLOCK HANDLES

✓ ALL ALUMINUM UNI-BODY

✓ EASY SHIFT SHELVING SYSTEM
